Cancellation Policy

Classes

Make up classes are offered on a first-come first-served basis, and you must register for them on our on-line office. Space is limited. Each student has the option to do a make up class three times per semester, regardless of the number of classes missed. If a student misses his/her makeup class, we will not reschedule (no making up a make-up).

In the event that more than four lessons are missed during a session due to extenuating circumstances, we will review each situation on an individual basis, as long as advance notice has been provided.

For a medical emergency (surgery or cast), we will offer an 'in-house' credit on your account that you can use when you are ready to return. Unfortunately, we cannot hold a spot in a full class

Privates

Privates must be scheduled and completed within an 8 week period from time of purchasing the privates. We require 24 hour notice of a cancellation for a private. A no-show for a private will result in a cancellation of the session without refund.
