

ENROLLMENT FORM for ABC Music & Me Classes at Day Campus

Kindermusik ABC Music & Me is a research-based early childhood curriculum that uses bundled, thematic 30-minute lessons to help young children learn music, listening, social, and important language skills.

Each lesson fosters whole-child development, builds school readiness, introduces musical concepts and brings the joy and power of music into your child's life. Children will get to play a wide variety of instruments such as drums, sticks, shakers, triangles, glockenspiels, bells, and more! *And* Kindermusik ABC Music & Me is effective: results from a recent independent research study showed that preschoolers who participated in a Kindermusik curriculum for as little as 30 minutes each week showed a **32% greater gain** in early language and literacy skills than the control group.

Classes are held on Thursday mornings starting September 7th. The cost is \$50 per month for 8 months of lessons with 4 lessons a month, running from September to May, except for the month of December. Payments will be made through our auto pay system every month from September to April (since we don't meet in December).

Parent Meet & Greet night with our Kindermusik teacher Ms. Kristy Fischer will be the afternoon of Thursday, August 31st.

To register, visit us online at www.musikadventures.com and scroll down to the Kindermusik@Schools link. You may also fill out the form below and return to the Day Campus office. We will contact you to enroll in our auto pay monthly system.

Child's Name _____

Child's Classroom _____

Parent's Name _____

Parent's Email _____

Parent's Phone _____

Is it okay to take photos of your child to email you and put on our Kindermusik Facebook page?
